

IN TODAY'S COMPLEX WORLD WE MAKE DOING BUSINESS EASY

Known as one of the leading service providers globally, Amicorp Group offers multi-level and business critical solutions to global corporates, international advisory groups, financial institutions, investment firms and family offices. We provide personalized service, and we tailor our offerings to the needs of our clients.

OUR EXPERT AND SPECIALIZED KNOWLEDGE

Amicorp Group is a fast-growing global company with dedicated teams of international experts and specialists. We offer customized solutions around cross-border structures, corporate assurance support, regulatory compliance support, specialized business support alternatives and multi-facet family governance and wealth structuring. In addition, we offer fund administration, financial services and global family office solutions, all addressing the distinct needs of our clients. We collaborate with and support clients in over 100 countries around the world; we offer them proprietary research and solutions that they are looking for in today's ever-changing macro environment.

OUR FOCUS: ADDED VALUE AND CLIENT SOLUTIONS

We provide services on a global scale, supporting our client's international cross-border transactions. We represent large multinational companies, entrepreneurial families and collaborate with some of the most prestigious financial institutions, law firms, asset managers and tax advisors in the world. Our clientele is a mix of publicly and privately held companies, start-up operations, entrepreneurs, pension funds, corporate as well as high-net-worth clients. Their operations and investments benefit from the support of Amicorp's proactive and result driven solutions. We thoroughly evaluate our clients' specific needs and create customized and compliant solutions to fulfill them; constantly updating our services to meet the client's ever-evolving requirements.

- ➔ Single point of contact and ease of operations.
- ➔ Reduced management and entity administration fees.
- ➔ Business continuity and disaster recovery.
- ➔ Experience across multiple jurisdictions.
- ➔ Central data in secure servers in Geneva.
- ➔ Quick and easy future incorporations.
- ➔ Experienced team of lawyers and tax experts.
- ➔ Signatories in multiple jurisdictions.

GUARANTEED TRANSPARENCY

Amicorp works in line with the latest international standards on Know Your Customer (KYC), the prevention of terrorist financing, money laundering, and tax evasion. Global transparency has taken on added meaning with the advent of FATCA, Common Reporting Standard (CRS) and Base Erosion Profit Shifting (BEPS) legislation and other regional and local reporting requirements across the world. At Amicorp we ensure that all our client offerings are in line with all local and international regulations.

OUR SERVICES

CORPORATE SERVICES

Amicorp's key strengths are our solid knowledge and our long history of developing and implementing new investment structures. We deliver the broadest range of structuring alternatives involving corporate vehicles such as companies, partnerships and foundations; we remain updated on any new opportunities as they arise. As your company internationalizes its business, we assist you with your risk management, compliance and the streamlining of your global operations.

Services summarized: Corporate secretarial and administration services, accounting and payroll services, trust and entity administration services, foundations administration services, banking services, CFO and administrative outsourcing services, agency and representative office services.

PRIVATE CLIENT SERVICES

At Amicorp we work together with tax, inheritance, and estate law experts, to establish and administer estate planning and succession needs of our clients and "global" families. We are uniquely positioned to complement intermediary solutions in investment structuring, trade transactions, asset protection, tax planning, business, family succession, and estate planning. We can also protect clients' assets against excessive financial claims.

For specific groups of high-net-worth individuals, Amicorp provides family office services that are independent of any

banking and asset management relations the client may already have.

Services summarized: Fiduciary and administrative support, banking and corporate finance, wealth consolidation services, asset protection, insurance solutions, relocation and immigration services, philanthropic planning, marine and aviation for private use.

BUSINESS SUPPORT SERVICES

Amicorp's business support services allow companies to focus on the core activities that drive their business while leaving infrastructure and support processes to experts. Our portfolio of outsourcing services includes scanning and document handling, finance and accounting, investment portfolio administration and consolidation, payroll administration, trust and company management, back-office tasks, legal assistance, compliance and IT hosting.

Services summarized: Accounting, Payroll & Audit Support, Investment Portfolio Administration Services, Finance Business Partnering Services, HR Support Services, Training & Support Services, Data Sourcing & Analysis, Data Protection Services, Legal Support Services, Global Compliance Services.

FINANCIAL SERVICES

Amicorp Bank and Trust (ABT), an integral part of the Financial Services of Amicorp Group, provides tailor-made financial products and business solutions. Our extensive range of services and products includes opening multicurrency current and investment accounts, global payment services, SWIFT connection, foreign exchange, hedging solutions, secure credit cards, escrow services and back-to-back loans.

Services summarized: Banking and escrow services, corporate finance services, Fintech services, securitization services, global trading and custodian services, captive insurance set up and administration.

FUND STRUCTURING AND FUND ADMINISTRATION

Amicorp Fund Services makes working with fund managers even more effective by assisting them with setting up the right structure in the right jurisdiction and handling the administration and ongoing maintenance, coping with the continuous evolution of legal and compliance framework as well as reporting requirements in important fund jurisdictions.

Services summarized: Fund administration, fund structuring, directorship services, incubator and startup funds, private equity services.

GOVERNANCE & REGULATORY COMPLIANCE SERVICES

Amicorp's regulatory services assist our clients in managing the ever-increasing complexity they are faced with relating to compliance requirements from national and international regulators.

Services summarized: Assurance Services, Investor Compliance Services, FATCA, CRS and BEPS Services, Local & Regional Reporting Services.
